Build Your Theory

The clue that feels most important

Which detail could unlock the case? Tell why it matters.

My theory before the reveal

I think the answer is...

MY EVIDENCE:

After the case

My prediction was: ☐ Right ☐ Close ☐ A surprise

The clue that helped most was...

Did the ending use clues the story gave you? ☐ Yes ☐ Some ☐ Not yet

LITTLE DETECTIVE NOTE

A strong detective can change their mind.

New evidence can lead to a better theory. That is careful thinking, not a mistake.
